**Sub: Order received from Renowned Charitable Trust for Rooftop Solar Panel Installation via Net Metering Technology on their Dharamshala (Lodging Boarding facility) in Village Palitana, Gujarat.**

Dear Sir,

We are pleased to announce that the Company has received order from renowned Charitable Trust for Rooftop Solar Panel Installation on their Dharamshala (Lodging Boarding facility) in village Palitana (well known holy place of Jains), Gujarat.

Palitana is the biggest holy place of jains where pilgrims come regularly and there are many Dharamshalas managed by Charitable Trusts which provides Lodging Boarding facility to pilgrims.

This Rooftop Solar Panel Installation via Net Metering Technology will help Dharamshala to reduce power cost by 30%. This consumer friendly Net Metering Technology will be of great help to this charitable trust in reducing the power cost.

Company is targeting to tap 80 such charitable trusts in village Palitana. Introduction of Net Metering Technology along with Rooftop Solar Installation will have a big market in achieving Government of India's target of 20 Gigawatts of Renewable/Clean/Green Power.

Thanking You.

Yours Truly,
